

The 3-in-1 (savings, demat and trading) account offers a comprehensive solution designed to cater to your banking and investing needs. With this versatile account, you can seamlessly integrate three powerful financial services into a single platform, empowering you to manage your finances with convenience and efficiency.

Benefits

- **Convenience:** Manage your banking and investment activities through a single platform, reducing the need for multiple logins and paperwork.
- **Time-saving:** Execute trades instantly, transfer funds, and access your investment portfolio in real-time.
- **Cost-effective:** Avail cost benefits with integrated services, saving on transaction charges and account maintenance fees.
- **Expert insights:** Get access to expert research and market insights, enabling you to make informed investment decisions.
- **Security:** Enjoy enhanced security measures, ensuring your financial and personal information remains safe.

How to open an account?

You can open a 3-in-1 (savings, demat and trading) account with us in a swift and simple process. Just visit your nearest Bandhan Bank branch, and our branch staff will guide you through the process.
